

SALUTE

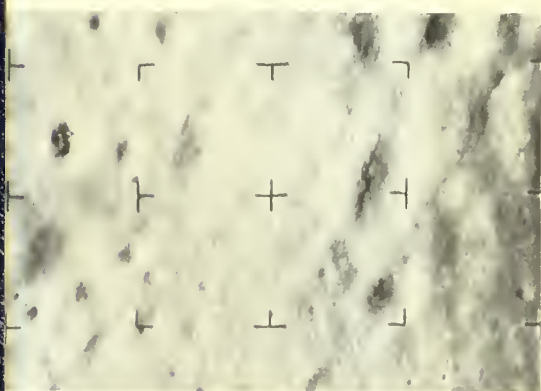

1965

Capital Appearance—The Beatles performed for a youthful audience in Washington on the night of February 12.

Opening for Juniors—These college juniors joined the Peace Corps' new summer project for six to eight weeks of training similar to that for regular Peace Corps volunteers. They later did surveying work near Taos, N.M. After graduation they will be sent to Latin America.

Ranger on Target—This is a photograph of the lunar surface taken by the Ranger 7 spacecraft prior to its impact on the moon July 31st. The area shown is about one and two-thirds miles on a side. The smallest craters are about 30 feet in diameter and 10 feet deep. Some of the large craters are about 300 feet in diameter.

Family Grieves—Gust Carlson, father of Dr. Paul Carlson, medical missionary slain by rebel troops in the Congo, dabbed at his eyes during a news conference in Los Angeles on November 24. He is flanked by his daughter and another son.

New Teen-Age Queen—Smiling Carolyn Mignini, 17, of Baltimore was crowned the new Miss Teen-age America of 1965 in Dallas on November 13.

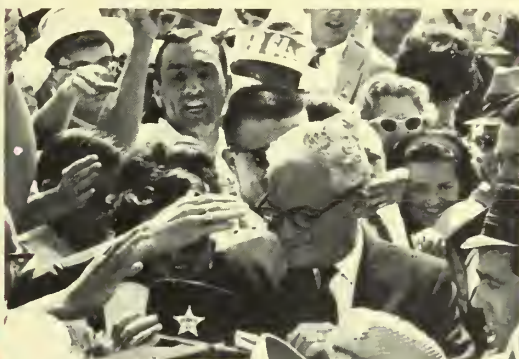

World's Fair at Night—The New York World's Fair attracted as many visitors at night as it did during the day following its April opening. The nighttime lights set off the beautiful pavilions constructed by many countries.

Democratic Victor—President Lyndon Johnson won the 1964 election by the greatest plurality and per cent of the total vote in U. S. history. Johnson became President at the assassination of John F. Kennedy in 1963.

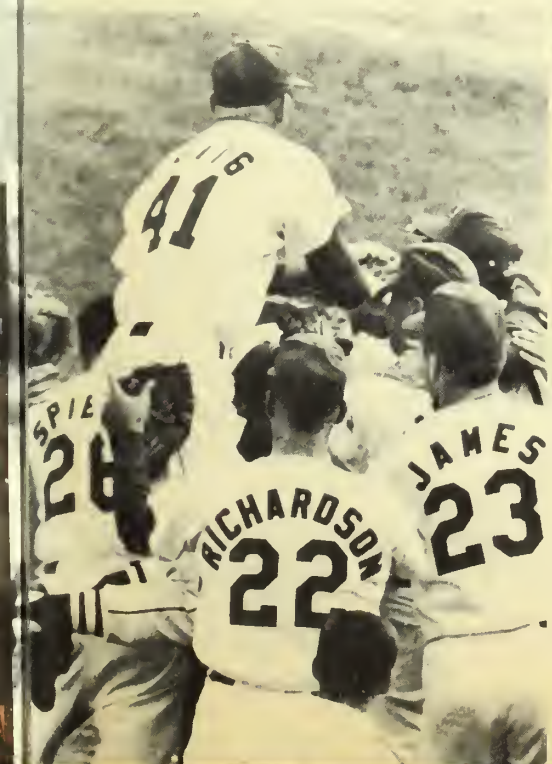

Barry's Battle for Votes—Sen. Barry Goldwater was surrounded by fans at Knoxville, Tenn., airport September 16 as he campaigned for the presidency on the Republican ticket. The conservative senator swept to a first-ballot nomination at the convention in San Francisco.

Nobel Prize Winner—Dr. Martin Luther King, Jr., right, was greeted by Richard C. Patterson, commissioner of public events, at Kennedy International Airport Dec. 16 on arrival from Europe. Dr. King was in Oslo to receive the 1964 Nobel Peace Prize.

National Events in Review—1964

Gods are the Winners—Roger Craig leaped on a group of teammates surrounding the pitcher Bob Gibson moments after the last out in the seventh World Series game won by the Redbirds over the Yankees, 7-5, in St. Louis.

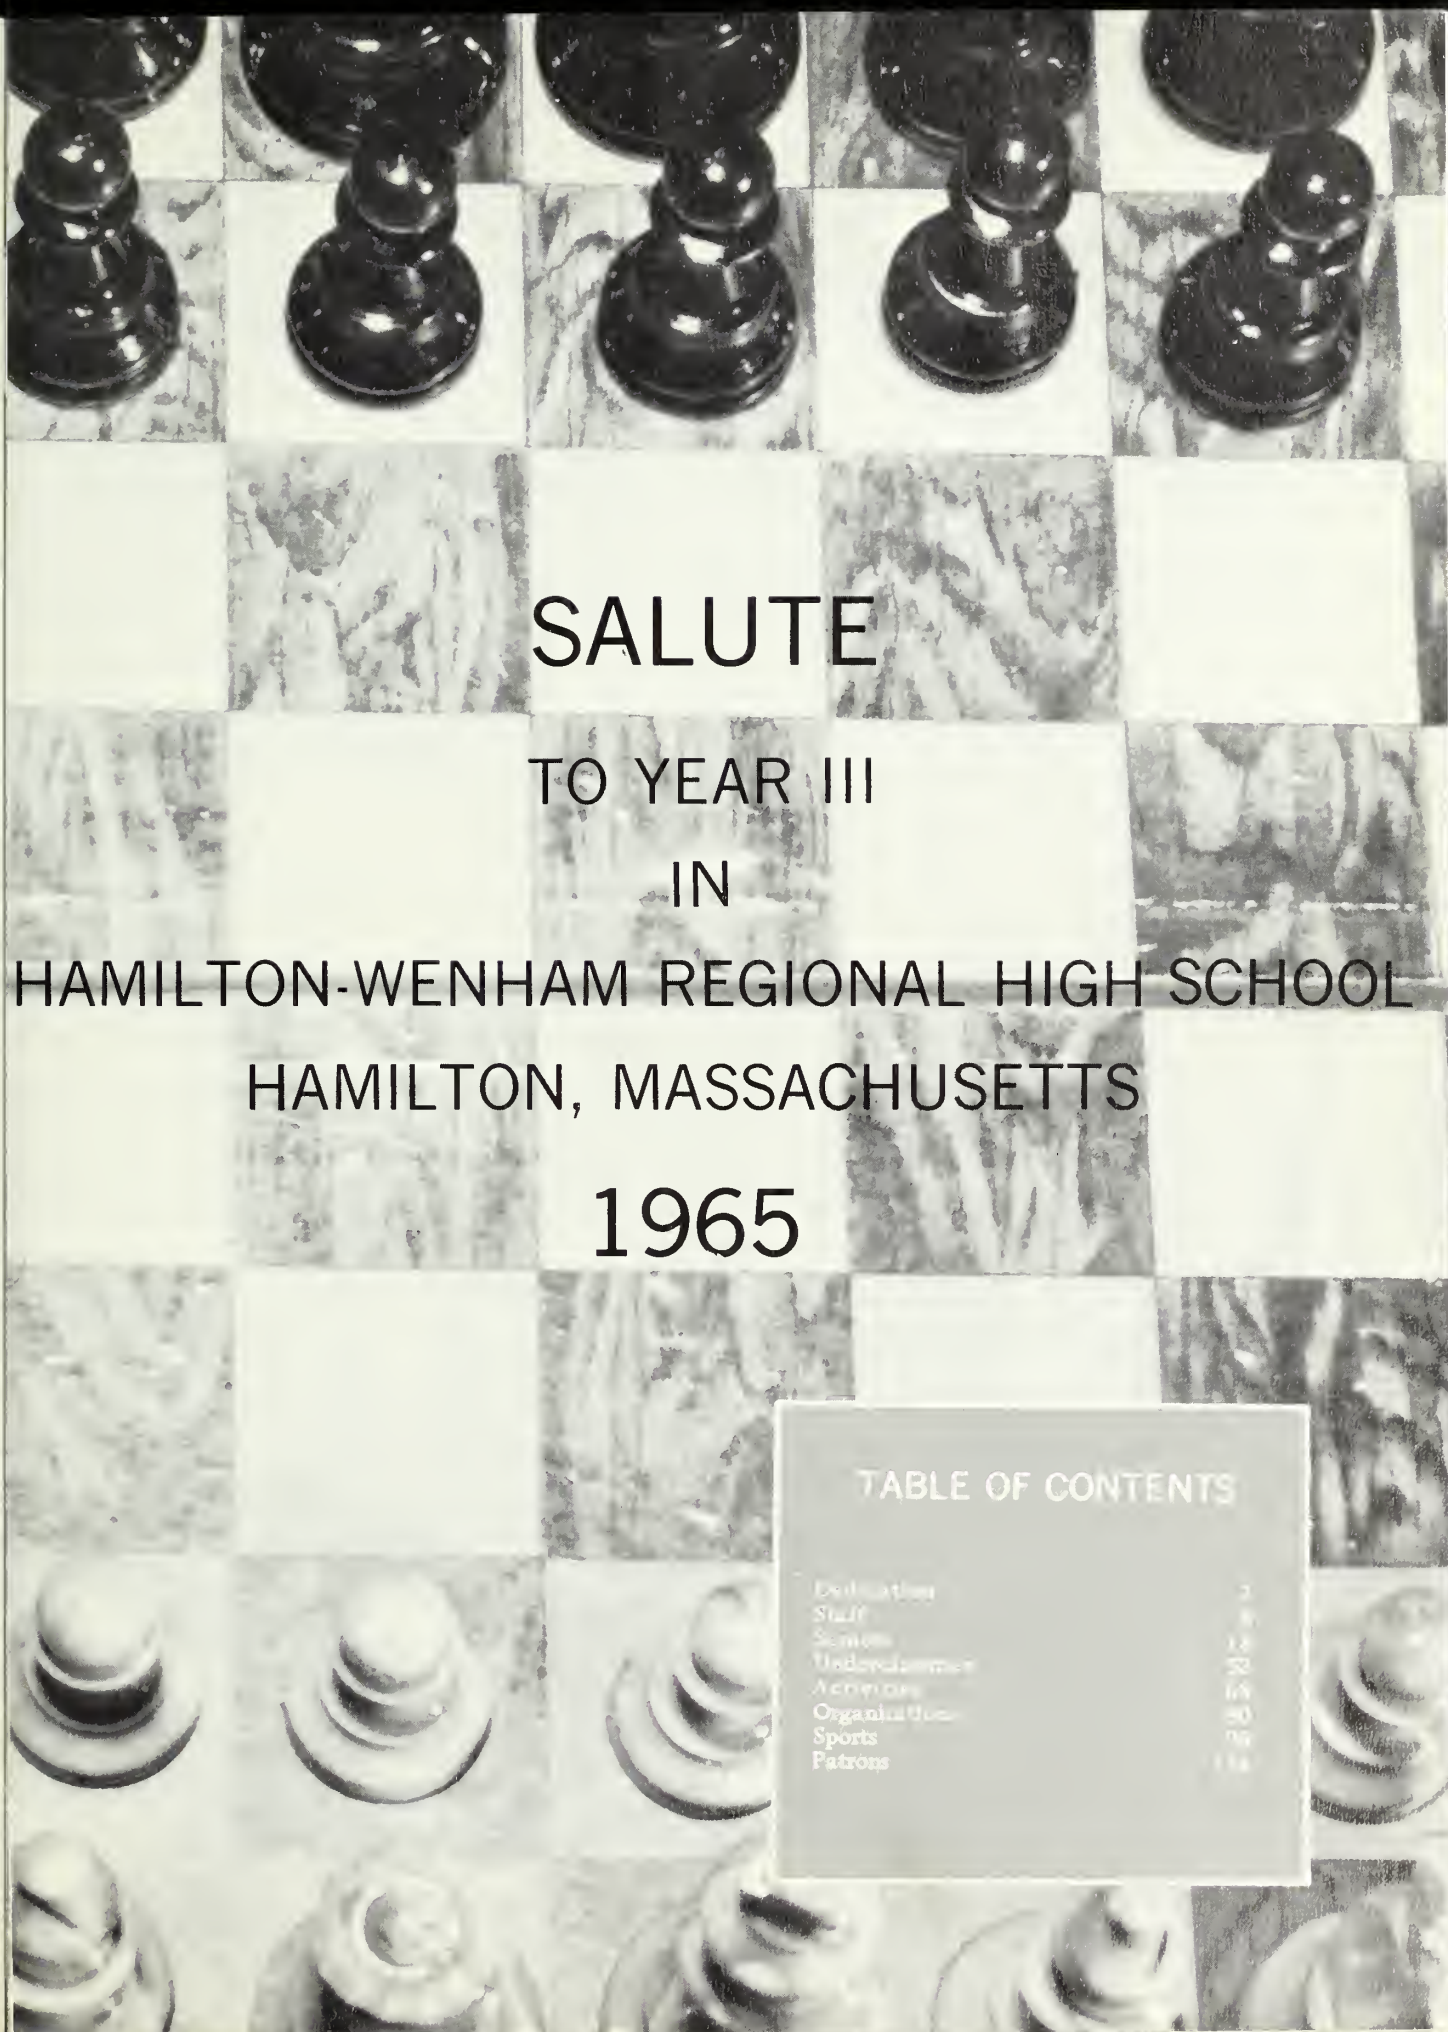

I'm the Greatest—Cassius Clay whooped it up with his handlers after he won the world heavyweight title in Miami Beach in February. He was credited with a technical knockout of Sonny Liston when Liston failed to answer the bell for the seventh round.

Alaskan Quake—A whole line of cars rested about 20 feet below street level on a main thoroughfare in Anchorage the day following the disastrous earthquake on March 27.

A BISHOP IS
CONSIDERED A
MOST VERSATILE
PIECE . . .

DEDICATION

The Hamilton-Wenham Generals is a name that we are all proud of because you made us proud of it. As head of our Physical Education Department, you have helped to create a school in which physical education and academic knowledge have worked together in harmony. We are grateful to you for this, for your interest in our progress, and your enthusiasm for our activities. We congratulate you as head coach for making our basketball team one of the best in the Cape Ann League. We are proud and happy to say that it was the Hamilton-Wenham Generals that earned for you your one hundredth victory. And so, to thank you for your good-fellowship, high standards, and patient direction, we, the Class of 1965, in order to show our respect and admiration, dedicate our yearbook, SALUTE, to you --

MR. SHERMAN A. KINNEY

STAFF

In chess the Bishops back up an attack that lets the other pieces win the game. Like the Bishops, the members of the Regional Staff are the ones that have backed us up in our high school years, giving us knowledge and mental wealth, preparing us to make the moves that will win our game of life.

HAMMOND A. YOUNG SUPERINTENDENT

The painter created a picture. Each stroke of the brush showed his skill and devotion. The product was a creation of pride and love -- a testimony to his labor -- his best. Each mortal creates a picture. Daily deeds and actions -- like strokes of a brush -- are applied with skill and devotion, shaping a work of art and pride. May your daily deeds create your picture of accomplishment, joy, beauty of life -- a picture of which you are proud, and a contribution to the larger picture painted by all mankind.

PETER N. COFFIN PRINCIPAL

It takes many helping hands to erect a building or to develop a successful school program. The task can be a chore or a challenge depending on this help. To the Class of 1965 goes our sincere appreciation for the leadership and cooperation which it has provided as well as the friendly spirit with which it has met each day. Our best wishes go with you, and you are reminded that even though you are now a graduate, we are here to serve you.

HORACE S. MARTIN

ASSISTANT PRINCIPAL

Learn to live with yourself because, if you can't, no one else will be able to live with you.
Happiness is not a station, but a manner of traveling.

DONALD MacDIARMID

GUIDANCE COUNSELOR

College representatives and other visitors have been impressed by our Regional facilities, our curriculum, and the atmosphere created by our young men and women.

And I hope you're interested in what your own faculty thinks, too. The most significant aspect of our school life, we feel, is that you are concerned increasingly with better manners and sensitivity in the little things that count.

Congratulations especially to the seniors for their leadership in making this a school we can all be proud of.

SUZANNE H. DENBY

GUIDANCE COUNSELOR

Through all your experiences remember, "This above all: to thine own self be true, and it must follow, as the night the day, thou canst not then be false to any man."

UNDERCLASSMEN

Although the Pawns are the least important and the least powerful pieces of the chessboard, they form the front line of attack, are used as protection, and can be transformed into Queens. Thus the underclassmen, though now the least powerful, are truly an important part of our school -- for just as the Pawns become Queens, they become the seniors of tomorrow.

WINTER

Manuel's Black and White

Regional junior Merrie Dodd, representing the Student Council, was crowned queen of the Winter Carnival at the annual Student Council affair. The girls in the court were Linda Daniels, Linda Dobrenchuck, Norma Hardy, Gail Heenan, Diane Drew, Paula McIntire, and Gay Roland.

Decorations reflected the theme of the dance which was Switzerland. Wall-sized posters showing Swiss chalets and little Swiss boys and girls were erected. In the center of the dance floor, hanging from the ceiling, was an enormous net made of blue and white streamers containing many different colored balloons.

Manuel's Black and White Band played throughout the evening. The music ranged from a good old-fashioned waltz to a lively Mexican Hat Dance.

ORGANIZATIONS

DRAMATICS

With the capable assistance of their advisor, Mrs. Ferrini, the Dramatics Society of the Regional presented PYGMALION as its main production. In keeping with the Christmas tradition, it also produced the Coventry Mystery Play. This spring the winning one-act play from last year, THE APOLLO OF BELLAC, was presented at the State Drama Festival. Also presented were four more one-act plays, one from each class, acted and produced by students. The officers this year are President George Abbott, Secretary Pam Fuller, and Treasurer Chris James.

SOUND-OFF STAFF

SOUND-OFF

**News from the
Hamilton - Wenham Regional
High School
written and edited
by Regional students**

For two years, the SOUND-OFF page has appeared in the Hamilton-Wenham CHRONICLE. This year there has been an increase in the staff and in the coverage of school and local events.

Under the direction of Mr. Trygve Christiansen, SOUND-OFF has become a vital and vocal part of the school through its weekly editorials, interviews, and news reporting.

The staff members learned how to interview, how to set up a news article, and how to handle responsibility.

FIRST ROW: Darleen McGeoghegan, Margo Maione, Marcia Boyd, Merrie Dodd, Beverly Dunham. SECOND ROW: Linda Dobrenchuk, Ellen Albanese, Violet Howe, Kathy Jameson, Kim Smith, Peggy Trowt, Mark Horsman, Mr. Christiansen, Adviser. THIRD ROW: Linda Daniels, Susan Marshall, Linda Mailhoit, Pam Hayward, Dan Snavelly, Bill Burrridge.

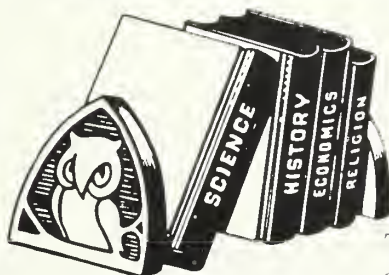

NO EXIT, the Literary Club's magazine was published this year in the fourth term. It contained writings gleaned from the staff of the magazine and the general student body, as well as essays composed by our faculty. The club publishes the magazine in order to express the thoughts of the students and teachers on a variety of subjects. This year the magazine included poetry, fiction, non-fiction, and book and music reviews, and covered such subjects as the social stagnation in our area, the transition to college, visiting a jazz-house, and the translation of a Latin fable into English.

The Paperback Bookstore, a service organization, gives our students a chance to build their own inexpensive libraries and to supplement their required reading. Increased sales reflect the continued growth and popularity of the store. Student volunteers operate the bookstore during lunch periods. The smooth-running operation of the bookstore is due to the help of Mr. Robert Hayward, its sponsor.

Under the direction of Mr. Alexander, the members of the Audio-Visual Club learn the use of modern equipment: such as overhead, opaque, and slide projectors; tape recorders; record players; and tachistoscopes. The members offer their services to teachers and students by distributing and operating equipment during their free periods, caring for films, and keeping the equipment in good condition.

MATH TEAM

The Math Team has become in the last three years one of the most successful and popular clubs at the Regional. Last year the Regional Mathematicians won in Division X of the Massachusetts Mathematics League and were just nosed out by Lincoln-Sudbury for the entire League championship. This year, led by Jim Hall, the team has made a strong bid for top league honors. At the time of the December contest the Regional was first, followed closely by Swampscott and Weston. The future looks bright, too, as many underclassmen are taking advantage of the Math Team to improve their math ability.

Preparing before a meet are Mike Harris, Dave Hall, Scott Scribner, Bob Jenner, Jimmy Hall, and Jim Caverly. (r.)

David Hall and Scott Scribner.

The Math Team returns home after a victory at Swampscott. (r.) Cathy Gorini, Bob Jenner, Jon Thompson, Mike Harris, and Captain Jim Hall.

STUDENT COUNCIL

To co-ordinate school functions, to represent student expression, to charter clubs, and to approve activities are the responsibilities of the Student Council. This year the Council has expanded to include homeroom representatives, in addition to the regular executive board. Each representative became a member of one of three standing committees which worked toward fulfilling the responsibilities of the Student Council. Each year the Council sponsors the school store, Bermuda Day, the Winter Carnival, and other activities. Improving school morale and strengthening student character are also important responsibilities of this organization.

NATIONAL HONOR SOCIETY

Mr. Harold Simpson; James Caverly; Dick Mersereau, Treasurer; Pat Hatfield, President; Jim Hall, Secretary; Susan Cornes, Vice-President; Roger Thibault; Steve Miller; and Karen Keefe.

Character, scholarship, leadership, and service are the qualities which a person must have to be a member of the National Honor Society. This society is established as a service organization for the school. Operations for the year included the raising of finances to sponsor the society's induction ceremonies and publishing a freshman handbook.

020 CLUB

The 020 Club was launched this year by a group of energetic and enthusiastic Library Aides, under the sponsorship of Mrs. Patricia Dillon, Librarian. The name for the club was derived from the Dewey Decimal Classification for Library Science -- 020. The main objective of this club is to organize an information file for the library. Once set up this information file will be an important and valuable addition to the present holdings of the library. Field trips to libraries in the greater Boston area were enjoyed by club members throughout the year.

FIRST ROW: Beverly Dunham, Mrs. Dillon, Marjorie Gadbois, and Ellen Ayers. SECOND ROW: Carol Colantoni, Peggy Shimer, Judy Clarizia, Pat Harrington, Anne Marie Richards, Marilyn Dolan, Nancy Scott, Audrey Kerr, Margaret Kerr, Karen Keefe, Barbara Chruniak, and Brenda Markey. DEBATING SOCIETY

Under the combined advisership of Mr. Matthews, Mr. Trites, Mr. Staples, and Mr. Traverso, this year's Debating Team found competition much tougher in the much-improved North Shore Debate League than in previous years. Formed around a core of seasoned debaters, the Regional team competed against such schools as Saint John's Prep and Salem High School. Although it did not compile so remarkable a record as in past years, our team debated well and upheld our reputation in academic competition.

In its third consecutive year in the Hamilton-Wenham Regional High School is the Future Nurses Club under the direction of Mrs. Grace Maybury. The purpose of the club is to bring together young people interested in careers in nursing and health, to share these interests, to explore opportunities and requirements in these fields, to grow as individuals by working together, and to learn about the community life in which they will soon participate as informed citizens. This year, members of the club made favors and gift packages for the patients at Danvers State Hospital. They also viewed a film dealing with nursing as a future vocation. Field trips to different hospitals in the North Shore proved to be worthwhile and interesting.

FIRST ROW: Penny Christofferson, Christine Shannon, Beth McCauley, Gail Sanford, Meredith Dawson, and Mrs. Maybury. SECOND ROW: Diane Colantoni, Deborah Coffin, Carol Colantoni, Joan Linnehan, Linda Dyczus, Norma Tarr, Pat Sanders, Martha Hatfield, and Dorothy Rollins. BOOSTERS' CLUB

The Boosters' Club has tried to increase interest in school activities by publicizing events. It has helped the football and the basketball teams by publicizing games and selling programs listing the players and their positions. During the basketball season, the club also sold megaphones to raise money for cheerleaders' uniforms and to increase enthusiasm at the games. By selling tickets for PYGMALION, the club helped the Dramatics Society raise money and advertise the play. A dance held on December 12 raised money so that the club could continue to assist many organizations and activities of the school.

SKI

The Ski-Daddles have again had a very active and successful year under the leadership of Mr. Gosse. Trips to Mount Whittier and Mount Sunapee provided fun and exercise to the enthusiastic members. SPORTS

To attack is to make a series of moves with the intention of winning the chess game; to exchange is to capture a hostile piece by sacrificing a less important piece. Thus the Regional sports teams have attacked and exchanged throughout the school year on their chessboard of victory and defeat.

The Hamilton-Wenham Generals' Cross-Country Team recorded its third successful season under Coach Gary Baker, finishing with an overall 8-1 record and the second place in the Cape Ann League. In the three years of cross-country at the Regional, the Generals have lost only two dual meets, tied one, and won eighteen.

This year's squad scored four shutouts enroute to its impressive record, its only loss coming against Class D State Champion, Maconomet. Next year's team should continue the established winning tradition, as several experienced runners will be returning.

With six goals, Barbara Bursaw was high scorer of the Hamilton-Wenham Varsity Field Hockey Team, closely followed by Margo Maione with four goals. The Field Hockey Team closed the season with one win, three ties, and four losses. Although the record was not exceptionally impressive, the team members fought against stronger and more experienced opponents.

In addition to the varsity team, the Regional had a Junior Varsity and a third team in competition. The J.V.'s compiled a record of four wins, five losses, while the third team ended the season with two ties and a loss.

In their first year under Head Coach Charles Benoit the Hamilton-Wenham Generals had a rebuilding football season. Despite its mediocre 4-4 record, the experienced team had several bright spots. The performance of the defensive unit was superb all season. Opponents never tallied more than twice in one ball game, as the defense allowed just nine touchdowns in the eight games.

On three occasions the offensive team really took charge, as the Generals lambasted Pentucket, Essex Aggie, and arch-rival Manchester. The team was disappointing in its two close losses to Ipswich and Georgetown, but looked good in an impressive win over Winnacunnet and even in losses to Class C Bishop Fenwick and state-power Masconomet.

FOOTBALL CHEERLEADERS

"Fight team, fight! Fight with all your might! Shoulder to shoulder, knee to knee! Let's go on to victory!" This is just one of the many cheers inspiring students throughout the football season. This year's cheerleaders with their megaphones and shakers were seen at each game in rain or shine, cheering for the boys. The envied members selected for the squad practiced long and hard each afternoon in preparation for every game. Peggy Shimer and Pat Harrington were co-captains.

BASKETBALL

Our Generals basketball team, in its third year under Coach Sherman Kinney, went undefeated in sixteen games to become, for the first time, Cape Ann League champions. The Blue and White have now won twenty-three straight league contests -- one of the longest winning streaks in the state.

The Generals were led for the second year by Co-Captains Bill Poehler and Jim Barney.

Employing a zone press, 1-2-2 zone, 3-1-1 zone, and a flexible man-for-man defense, our Generals compiled the best defensive record in the league. Next year's team promises to be a good one, as it will be bolstered by the return of eleven underclassmen, besides several members of Fred Hale's undefeated Colonels.

LOCOMOTIVE!

This year's basketball cheerleaders experienced an exciting season. The squad, which included three seniors and seven juniors, were all newcomers except for Captain Norma Tarr. The girls made their own uniforms, and during the season, undertook the task of selling paper megaphones, with the help of the Boosters Club, to add money to the cheerleading treasury. Organization and success were achieved with the help of the faculty adviser, Miss Vogel, and the manager, Jayne Conley.

WRESTLING TEAM

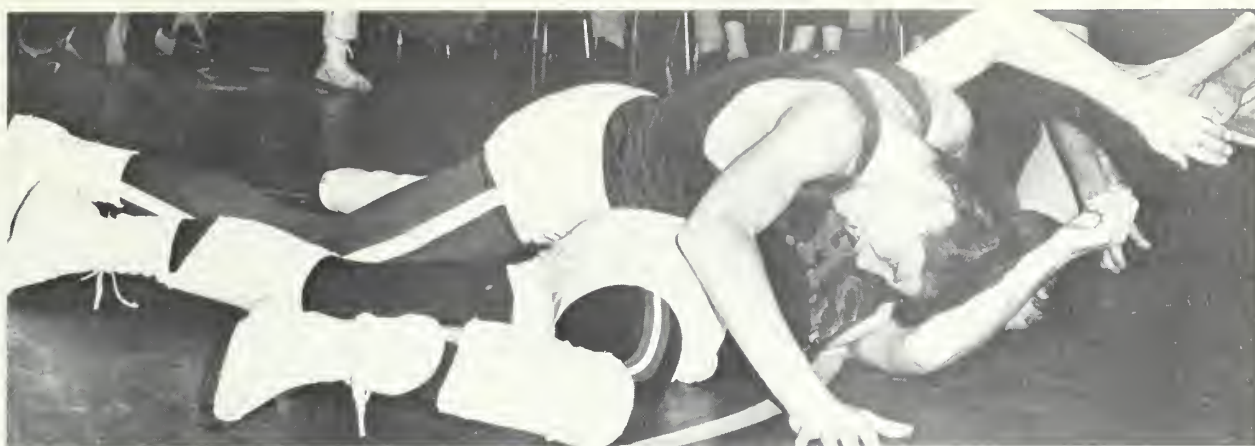

In its second year at the Regional, wrestling proved to be an exciting sport. This year's team, comprised mostly of underclassmen, improved on last year's record, winning four of twelve meets against stiff competition. Coached for the second year by Richard McLoon, the team was led by co-captains Rich Damato and Bob Smith.

Junior Bob Graham led all Regional wrestlers during the regular season with seven pins. He was closely followed by Rich Damato and Phil Taylor with five each, and by Chip Argetes with four.

Roger VanAusdal and Rich Damato placed third in their respective weight divisions in the fifth annual Merrimack Valley Wrestling Tournament held at the Regional in February. Five Regional men also qualified for the state meet.

The paratroopers descended on the rebel-held Congo city just as a massacre of hostages began, and their quick work saved the lives of hundreds.
